## A SMARTER APPROACH TO SERVICE

A1 mini - SM is your intelligent, autonomous assistant, primed to excel in healthcare, telecom, education, retail, and hospitality. Experience service reimagined, where efficiency and convenience converge.

## SEAMLESS AUTONOMY

Navigate your space with confidence. A1 Mini - SM boasts autonomous mapping, navigation, and obstacle avoidance, ensuring smooth interactions in any environment.

## INTERACTIVE CONTROL

Interact effortlessly using the full HD 10-inch touchscreen. Command your robot's movements and tasks with a touch, or take control hands-free through our intuitive application.

## UNPARALLELED DESIGN AND PERFORMANCE

With dimensions of 40x30x120 cm (WxHxD), A1 Mini - SM navigates seamlessly through tight spaces and crowded areas, ensuring effective service in any environment.

## EFFICIENCY IN EVERY CHARGE

Experience uninterrupted service with a robust 20000 mAH battery capacity. Charge manually or autonomously, giving you the flexibility to choose the method that suits your workflow.

# a1 mini sm

## EMPOWERING PAYLOAD CAPACITY

Carry up to 30 kg of items with ease, making A1 Mini - SM the ideal solution for serving multiple plates or items simultaneously.

## SWIFT CHARGING

Be ready for action in just 4 hours. A1 Mini - SM's swift charging time minimizes downtime and maximizes productivity.

## PERFECTLY SIZED TRAY

The 40x30 cm tray is designed to securely hold plates and items, ensuring they remain in place during transportation for safe and efficient service.

## EXPERIENCE THE FUTURE OF SERVICE

A1 Mini - SM presents a cruise speed of up to 1 m/s, adjustable to meet your service requirements. Provide efficient service without compromising safety.

Explore a new era of service innovation. Contact us today to learn how A1 Mini - SM can transform your industry and exceed customer expectations.
